

# **We need your help to save Britford.**

We are raising funds to pay for professional planning, legal and flood advice to show that it is not sound policy in the Wiltshire Local Plan to build 220 houses on land which is:

- immediately adjacent to flood plain and two conservation areas;
- the final field separating the ancient and distinctive settlement of Britford from the city of Salisbury.

Such a plan would have major adverse impacts on:

- 1) the ancient heritage and distinctive landscape settings of Britford.
- 2) traffic congestion,
- 3) ground and surface water flooding,

Monies raised will be allocated for Britford Parish council to use for purposes connected to fighting this process and in the event of there being surplus monies by the end of the Local Plan planning process they will be used for purposes to enhance the Parish of Britford.

**Please help us save Britford and keep the distinction between us and Salisbury City as well protect the history of our Parish.**

Any donations would be greatly appreciated and can be made directly to the Parish Council:

Britford Parish Council  
Sort Code: 30-97-41  
Account: 00314598
